Terms of Agreement
All dogs 6 months and older must be spayed or neutered.
All dogs must be up to date on the following required vaccinations and provide appropriate documentation as proof: Rabies, Distemper Parvo, & Bordetella*
* If your dog frequently visits boarding facilities, dog parks, grooming salons, or other social dog environments, we do recommend a Bordetella vaccination every 6 months.
We do recommend a Canine Influenza vaccination if your dog is frequently visiting social dog environments.
All vaccinations must be administered at least 1 week prior to boarding/daycare to ensure vaccine efficacy.
All dogs must be on a flea/tick and heartworm preventative year round. If a flea/tick is seen on your dog, we will provide a treatment at your expense.
All dogs must be in good health. If there are any special needs or medical conditions, Barkfield Inn & Suites must be notified before check in.
All dogs must be on leash when entering and exiting the facility.
It is best to bring your own dog's food from home in pre-measured Ziploc bags. This will prevent an upset stomach due to the stress of the change of environment and diet change. However, if necessary, food will be provided for an additional charge of \$3/day.
